# Henry Payne

# Technical Skills

# Professional Achievements

Spearheaded high-stakes refurbishment initiatives through strategic NEC3 contract negotiations, optimized vendor performance management, and precise resource allocation, 25% Under Budget

Earned the Performance Excellence Award for leading the ahead-of-schedule completion of a vital heat removal system civils upgrade

Orchestrated flawless operational and compliance performance, securing zero non-conformances across comprehensive OH&S, Nuclear Assurance, ISO 9001, INPO, WANO, and IAEA audits

Launched and grew a B2C ICT retail business focused on premium tech brands, built a loyal customer base via effective CRM, expanded into repairs/upgrades/installations and pivoted to B2B.
